

## 6060LED-D65 RECESSED CEILING LIGHT

### 6060LED-D65 CEILING LIGHT

- D65 daylight
- Clean design
- Illuminated area  $\approx 1.2 \times 1.2$  m.
- LED Technology.
- Compatible with any false ceiling.
- Homogeneity of the luminous flow.
- No maintenance.

## THE LED TECHNOLOGY

Too often ignored, general lighting, whether it is inappropriate, is a cause of tiredness (visual and physical), but also of headaches, and eyes troubles. Thus, Gamain proposes the 6060LED-D65 recessed ceiling lights which reproduce perfectly the natural daylight and combine performance, design and LED Technology. These ceiling lights fit perfectly in a reception area or every environment which requires a very-high quality, standardised working daylight, without any blue peak in the light spectrum to harm the eyes.

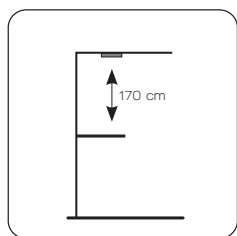

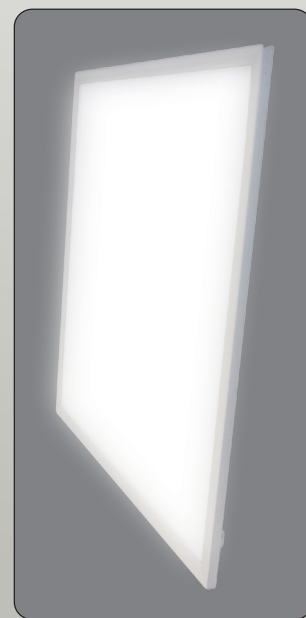

### FEATURES

Distance from the worktop in cm: 170
Illumination Lux at 170 cm: 500
Colour temperature in °K: 6500
Illuminated area in m: 1.2 x 1.2
Dimensions (LxH) in mm: 595 x 595 x 11
Weight in Kg: 3,85
Consumption in Watts: 50W
Power source: 100-240V 50-60Hz
Colour: white
Estimated lifetime (70% of the flow maintained)*: 50 000 hours

Option on request: dimmer switch ref. IVAR.

Accessory on request: design suspension support for the 6060LED ceiling light ref. 45 950 7243.

Installation

Suspension Support

\* Subject to correct installation.
